G.O.Ms.No.2169, Development dated 29-4-1948.
Letter from the Commissioner of Labour, No.C4.1562,/48, dated 12-7-1948.

O R D E R:

The Industrial Tribunal constituted to adjudicate the industrial disputes between the workers and managements of Motor transport services and motor transport workshops in the Province has, in its award, recommended the appointment of two gazetted officers, for a period of three months, to see that the award is implemented by the parties concerned. The Commissioner of Labour now states that there are more than 4000 motor transport services, worshops etc., that the workers complain of non-implementation of the terms of the award, that the existing officers of the Labour Department have no time to go into the merits of each case, and in view of the large number of motor transport companies, etc., recommends the appointment of two Deputy Collectors to enquire into the compalaints about the non-implementation of the award. The Government have examined the proposals of the Commissioner and sanction and employment of the following officers and staff for a period of three months from the date of appointment

1) Two Labour Officers on Rs.200-20/2-300
2) Two stenotypists on Rs.45-90, with special pay 6 if eligible, one for each Labour Officer.
3) Four peons on Rs.16-25, two for each Labour officer.

The headquarters of the officers will be at Madras, and they will have nothing to do with Government transport.

2. Sanction is also accorded to the supply of two standard typewriters to the two labour officers for the use of the stenographers working under them. The typewriters should be returned to Superintendent of Stationery when no longer required.

3. The expenditure should be debited to "47. Miscellaneous Departments - a. Labour - B. District Staff".

4. The Commissioner of Labour is requested to submit proposals for the appointment of the two officers.
